Funeral Services For Mr. McGouirk

Funeral Services for Horace G. McGouirk, 66, of Pahokee were held at the Church of God on Barfield Highway Tuesday at 2 p. m., with the Rev. James B. Miller, pastor, officiating.

Mr. McGouirk died suddenly from a heart attack at the Everglades Memorial Hospital Sunday morning. After suffering from what he thought was an attack of acute indigestion he went to the hospital Sunday morning and lapsed only about 45 minutes after arrival.

Mr. McGouirk came to the Glades area in 1924 and during his residence here he operated grocery stores and did some farming and cattle raising. For many years he and his wife operated a grocery store at Sand Cut. A few years ago they moved into the Hansen residence on Bacom Point Road, Pahokee, following which they operated the Section 29 grocery store on Belle Glade Road and at the time of his death they had a grocery store near the railroad crossing on Belle Glade Road.

Survivors include his wife, Agnes; one brother, Howard McGouirk, of West Florida; two sisters, Mrs. Luidie Lassiter of West Florida and Mrs. Cora Norton of Miami.

Burial was at the Port Mayaca Cemetery. Berry's Funeral Home was in charge of arrangements.

I AM GRATEFUL

To each and every person in the Everglades, who in any way helped to re-elect me County Commissioner, I am grateful. I only wish that I had command of the English language to a point where I could truly express my gratitude.

I want each and every one to know that in months to come I shall continue to do those things which, I believe, a good County Commissioner should do. At all times I will be ready and willing to execute the duties of the Commissioner's office in a manner that will reflect dignity and pride to the section I represent on the County Board.

For that magnificent commendation of my efforts as your Commissioner as expressed with your ballots, I am sincerely thankful.

—PAUL RARDIN

Elks Planning For Mothers' Ceremony

The Pahokee BPOE Lodge No. 1638 will present its annual Mother's Day observance ceremony in the high school auditorium Sunday, May 11, at 3 p. m.

Plans are under way to make this year's Mother's Day observance one of the most outstanding and impressive ceremonies ever sponsored by the Pahokee Elks Lodge, according to E. D. Sims, Jr., exalted ruler.

The "Tribute To Mother" address will be given by Mrs. J. R. York, assistant principal of Pahokee High School. The First Methodist Vesper Choir will sing two numbers and Robert O. Lampi, baritone, will sing a solo.

The Elks Lodge will present a corsage to Mrs. Ruth V. Meredith as "mother of the year." Mrs. Meredith, supervisor of city parks and president of the First Methodist Woman's Society of Christian Service for the past two years, was selected by an impartial committee not connected with the lodge for her work in civic affairs as an outstanding mother to represent the other mothers of the community in the ceremony.

The Elks are extending invitations to churches of all denominations and civic groups as well as all residents to take part in this public ceremony.

Okeelanta Sugar Mill In New Hands

SOUTH BAY—The Okeelanta Sugar Cooperative which has been in receivership and operated by the Bank of Cooperatives in Columbia for the last several years has recently been sold to Salvatiano Garcia y Diaz of Havana, according to reports received here. The price was approximately \$3,600,000.

The mill and refinery established originally by Puerto Rican investors on sawgrass land adjacent to U. S. 27 some 5 miles South of South Bay was taken over by the Bank of Columbia and placed on a paying basis, the plant operating with net profit during the last two years.

M. L. Quintana, operating director for the new owner, is expected to take over the active management of the mill in the near future and announce policies.

It is expected that the facilities will be expanded and that the mill operators will continue contracts with individual growers for cane on high warm land adjacent to Lake Okeechobee in order to extend the grinding season as in the past.

CARD OF THANKS

I wish to extend my sincere thanks to the many friends and neighbors who were so thoughtful during the sudden illness and death of Mr. McGouirk. For the many floral offerings and words of condolence I shall ever be grateful. May God's richest blessings be upon each and everyone who was so thoughtful.

Mrs. H. G. McGouirk

ALWAYS BE CAREFUL DRIVING

**It makes
each drop of gas
say uncle**

ACCORDING to combustion experts, there's as much energy locked in a drop of gasoline as there is in a drop of nitroglycerine.

But the problem is to put that energy to work.

So Buick engineers aren't content just to mix that drop with air and touch it off. They've designed an engine that brings it catapulting into a cylinder head where it strikes a turbo-top piston—gets whipped into a churning, swirling ball of tight-packed energy.

Then it's fired. And when that happens, a drop of gasoline certainly lets loose power.

This isn't something that happens in a "car of the future."

It happens in a Buick Fireball 8 Engine today. It's a high-compression engine. It's a valve-in-head engine. But it's also a Fireball in performance as well as name.

And it puts extra power under the hood—and extra miles in the fuel back in the gas tank.

Now, power is great, but what goes with it?

Mister, that's something you ought to find out—and soon.

What goes with it is an automobile as sweet-handling, eager and willing as anything that ever made your pulse leap to a faster beat.

It's a car that seems to know what you

want it to do—true and sure in its course on a straightaway—beautifully balanced on curves.

It's a car with Dynaflo Drive* to feed power with infinite smoothness—and a road-hugging levelness of ride that took a million in cold cash to perfect.

And it is, with all this, a very tidy bargain. Why not price it, drive it, know it for yourself? We'll be glad to arrange a demonstration.

New Band Rating

The judges at the State Music Festival in Tampa last weekend got a little mixed up in counting up the points when they judged the Pahokee High School Band, giving the band a superior rating in marching and an excellent in both concert and sight reading when actually the Pahokee Band earned a superior in both marching and sight reading and an excellent in concert.

In information of the correction in the ratings of the Pahokee Band was given to Bandmaster Robert O. Lampi by the judging committee of the State Contest on Monday.

You're money ahead when you buy on these PLAIN HARD FACTS

Stack up what you get for what you pay . . . and join the nation's largest group of truck users by choosing Chevrolet

By far the biggest number of truck users today are Chevrolet owners . . . and for good hard-headed reasons. Because what they get is this:

Low Cost—in purchase price and in upkeep. A truck that gets the job

done. A truck that's rugged, long lasting.

Take a look at the four facts below . . . and see why you, too, will be money ahead with a Chevrolet truck. Come in and see us about it!

FACT NO. 1
Save money on purchase price
Stack up a Chevrolet truck against any other truck with comparable specifications. You'll find the Chevrolet truck lists for less.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

FACT NO. 2
Save money on operating costs
Hundreds of thousands of truck users have proved to their own satisfaction that Chevrolet costs the least of all to own and maintain.

FACT NO. 3
Save money on job efficiency
Chevrolet trucks are factory-matched to your payroll requirements. You don't buy "too much or too little truck."

FACT NO. 4
Save money on low depreciation
Records show that Chevrolet trucks traditionally bring more money at resale than any other make which costs about the same new.

Christian Science Group Of Canal Point

The contrast between Adam, or mortal man, and the spiritual, or real man, created in the image and likeness of God, is made in the Lesson-Sermon to be read in all Churches of Christ, Scientist, next Sunday. "Adam and Fallen Man" is the subject.

Paul's statement to the Corinthians (1 Cor. 15: 22): "As in Adam all die, even so in Christ shall all be made alive," furnishes the Golden Text.

Selections from the Bible include the following from II Peter (1: 2): "Grace and peace be multiplied unto you through the knowledge of God, and of Jesus our Lord."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "When speaking of God's children, not the children of men, Jesus said, 'The kingdom of God is within you; that is, Truth or Love reign in the real man, showing that man in God's image is unfallen and eternal'" (p. 476).

Jerry Fitzgerald, member of U. S. Army, has been flown to Augusta, Ga., from Korea where he suffered a back injury. His wife, the former Miss Joann Rosenberg, will fly to Augusta Sunday to be with him. He will be in the orthopedic hospital at Camp Gordon, near Augusta.

Baptist Revival Is The Best Ever

What is being called "the best attended revival meeting ever conducted in the Pahokee Baptist church" will come to a close Sunday evening. The meeting which began Wednesday, March 30, features the singing and chalk artistry of Miller Mikell and the forceful preaching of Arthur Rich.

One of the many surprises of the meeting has been the large attendance at the 7 o'clock morning meetings. Local Baptist leaders report that there have been from seventy to a hundred persons in this service each day.

Rev. Mikell, the Greenville, S. C. chalk artist-singer, has presented special programs at the local grammar and high schools and at the Rotary and Lions Clubs. He will have charge of a special service Saturday night at 7:45.

Rev. Rich, the evangelist, is pastor of Delray Beach's First Baptist Church. Hal Hunter, pastor of the local church, says of Rich, "He is one of the most forceful, interesting and popular young preachers in our state. His preaching is geared to the times, but anchored to the Rock." "If folks want a good seat, they had best come early," Hunter says. "We are using extra chairs every night."

Kelly of Palm Beach. Mr. Harris graduated from Palm Beach High School and attended Palm Beach Junior College. He received a BS degree in business administration and accounting at John B. Stetson University in DeLand. He is now associated with his brother in the J. C. Harris Company, haberdashers, West Palm Beach.

Both Miss Hooks and Mr. Harris are members of the Roman Chorus in Palm Beach.

Mr. and Mrs. Leon Burnett and children, Bob and Barbara Lynn, visited friends and relatives in Valdosta, Ga., and Daytona Beach over the weekend.

Mrs. J. B. Elliott is a patient at the Everglades Memorial Hospital this week.

If you own a car, you and your 40,000,000 fellow motorists are tossing an estimated \$5,000,000,000 a year into local, state and federal taxes. That is a conservative guess, according to the American Automobile Association.

From where I sit ... by Joe Marsh

As a Matter of Fact ...

Out of all the newspaper and magazine columns I read, the ones I enjoy most are those that pack in a whole lot of facts—unrelated facts, but each one an interesting bit of information in itself.

These columns go something like this: "Did you know that humpback whales are addicted to snoring? That bees have been bred with red, brown, and buff-color eyes?"

"Did you know that lead can be converted to gold—at a cost of \$1,000,000 an ounce? That a 555-pound fat girl went on a diet and lost 401 pounds in 12 months? That

a chrysanthemum has been developed that smells like a violet?"

From where I sit, maybe I'm a kind of "Johnny-one-note." My own columns always seem to revolve around one idea—a plea for us to make sure we respect the other fellow's rights—like the right to vote for your own choice or the right to enjoy a glass of beer now and then. I may not be in style, but I believe my one fact is worth repeating—and remembering!
